

**Friday 6<sup>th</sup> February 2026**

Dear Parents and Carers,

We have had a fantastic end to the week, full of maths-related activities! We all enjoyed celebrating NSPCC Number Day; everyone looked amazing, and it was wonderful to see the school raising money to keep children safe.

We also welcomed Karen Elcome, a Maths advisor who visited to review our current provision. She has been working across the partnership schools, Oatlands, Cleves and Manby Lodge this week to look at how we can collaborate to further enhance our Maths curriculum.

Thank you to the many parents who attended our Year 1 Maths workshops this week. We were so pleased with the turnout. As always, the children really enjoyed the opportunity to work alongside their parents.

Earlier this term, our Year 2 children wrote their own versions of *Goldilocks and the Three Bears*. This week, they had the exciting opportunity to read their stories to the Reception class. The children loved sharing their work and spending time in Reception.

We are all looking forward to the Sponsored Bounce on Monday. The School Council held a vote for the prize if we reach our target, and classes unanimously voted for "Golden Time" with popcorn and snacks!

We hope you have a great weekend and look forward to seeing you for our final week before half term.

Tanya Mooney

## **PTA Sponsored Bounce- Monday 9th February**

On Monday 9th February our children will be **Bouncing for Bike Sheds**. They will be trying to jump as many times as they can in 1 minute on a bouncy castle (so much fun!) and would love for you to sponsor them. We are hoping the funds raised can provide a safer and more organised storage system for our children's bikes and scooters for the main playground and the Year 2 entrance. While hopefully also keeping them nice and dry for the ride home!

#### **Oatlands PTA meeting - Friday 6th March 9am**

The next Oatlands PTA meeting has been scheduled for Friday 6th March, we are trialling a morning slot to see if this makes attendance easier. Everyone welcome. Last year the PTA raised £47,000 for the school and so it really is valuable to come along and collaborate in shaping our school community, help with organising events and fundraising, and contribute feedback to school spending plans.

At this meeting we will also hold an EGM with the intention to introduce an updated constitution (the rules that govern the way the charity can be operated) to better reflect our school today (the current constitution is 30 years old). If you would like to see the new constitution before the vote, please email [ptachair@oatlands.surrey.sch.uk](mailto:ptachair@oatlands.surrey.sch.uk).

We do need a quorum to introduce this new constitution (which was not reached at the AGM) so would appreciate as much attendance as possible.
