

**Friday 11<sup>th</sup> July 2025**

Dear Parents and Carers,

It was lovely to welcome so many of you to your child's Sports Days earlier this week. We managed to avoid the early showers and in the end were bathed in sunshine for our events. Thank you so much to the multi-sports team for helping to run such a lovely morning, we hope you enjoyed seeing your child take part. On Wednesday we had our termly Star Mathematicians assembly and presented certificates to children in every class who had shown particular effort in maths over recent weeks. Congratulations to all these Maths stars!

Thursday saw our last visit of the year as Year 2 travelled to Chiltern Open Air Museum. On a boiling hot day the children were very sensible and had a wonderful time learning about life in the past. They had the chance to role play Victorian washday, make butter and make rag rugs. Thank you so much to all the parents who accompanied the class on this visit.

This morning, all the Reception and Year 1 children had another chance to visit their new teachers and classrooms for a story time. As we near the end of term we will be continuing to prepare the children for transition and will share photos of their new classrooms and teachers with you before the end of term so you can talk about them over the holidays.

We hope all the families going on the PTA Camping trip this weekend have a wonderful time. Stay safe in the heat and we look forward to hearing about your time away.
