

Friday 12th December 2025

Dear Parents and Carers,

What a wonderful and theatrical end to the week we had this morning with Year 2's second performance of 'Lights, Camel, Action'!

The children did exceptionally well. They looked absolutely fabulous, sang beautifully, danced with such enthusiasm, and delivered their lines with such confidence. The audience was in stitches with their quick-witted lines!

We were delighted to be joined by parents, grandparents, and Governors, who unanimously gave the performance a perfect score of 10! A huge thank you to the entire Year 2 team for supporting the children and helping them put on such a memorable and great show.

Earlier in the week, our Year 1 children put on a beautiful Christmas concert at St. Mary's Church. They captivated the audience by telling the story of the first Christmas and filling the church with their joyous Christmas songs.

The church provided a perfect and magical setting for the evening. The children were particularly excited when baby Jesus appeared from inside Reverend Mark's enormous Christmas cracker! A warm thank you to Reverend Mark for allowing us to use the beautiful church and for sharing the message of Christmas with everyone.

This afternoon, our wonderful Year 2 choir spread some Christmas joy by visiting Sutton Lodge Care Home in Weybridge. The residents were treated to the choir's festive singing. We know how much the residents enjoyed the opportunity to hear the children sing and to share a lovely chat with them. We are incredibly proud of our choir for sharing their talent and making a meaningful connection with the community just before the holidays.

We are relieved to let you know that Pudsey Bear has finally been claimed and will not be alone this Christmas. He left us yesterday to join his new family, who were incredibly excited and gave him lots of cuddles!

We hope that you have an enjoyable weekend and look forward to seeing you for our final week of term.

Tanya Mooney

Have Your Say – Proposed 20mph Scheme Near Our School

Surrey County Council is inviting feedback on a proposed 20mph speed limit scheme on St Mary's Road and surrounding roads, Oatlands Park. The engagement is open to all road users, including families who travel to and from school.

Lower speed limits in residential and school areas can help:

- Improve safety for children and pedestrians
- Reduce the risk and severity of collisions
- Create a calmer, more pleasant environment for everyone

You can view the proposal and share your views online:

[Have Your Say Today - St Mary's Road, Weybridge - Commonplace](#)

The website also includes a short video explaining the benefits of 20mph schemes and how they can positively impact local communities.

A letter is being sent to residents on the affected roads, but not all families within the school catchment area will receive it. We'd like to encourage everyone to get involved. Whether you support the scheme or have concerns, your feedback is important and will help shape the next steps.

Please take a moment to have your say and help us create safer streets for everyone.

Safeguarding Notice

If you have any concerns about a child's safety or wellbeing in the school or community, please speak to one of our Designated Safeguarding Leads (DSL). DSL- Tanya Mooney, Head Teacher. DSL- Phil Copsey, Deputy Head Teacher or DSL-Kelly Grindle, Nurture Lead.
